NEW SPACES AHEAD

SUMMER/FALL 2026 CAMPUS IMPROVEMENTS

Improvements Underway, and More Ahead!

Valley Vista received a fresh look this summer. Exterior painting of the campus was completed before the start of school.

There is more on the horizon. Planning has begun for a new classroom building at Valley Vista, designed to incorporate outdoor space for visual and performing arts (VAPA). The district has selected a Design-Build Team and the Design Process has kicked off, with opportunities for stakeholder input as design progresses. We look forward to sharing plans and timelines with the Valley Vista community as the project takes shape.
