## 2024-2025 School Accountability Report Card

### (Published During the 2025-2026 School Year)

## General Information about the School Accountability Report Card (SARC)

### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

Carpe Diem High School (CDHS) and Sonoma Mountain High School (SMHS) are Necessary Small Schools, offering an alternative program for students who would benefit from:

Smaller school setting

Smaller ratio of students to staff

More individualized pathways

More flexibility in the daily schedule

CDHS/SMHS are small continuation high school and credit recovery program. The small school is able to provide a program that encompasses all curricular needs for students to earn the 220 credits necessary for their high school diploma.

Students at the site have the opportunity to co-enroll in elective classes at Petaluma High School (CDHS) and Casa Grande High School (SMHS), as well as access the food services program and the Career Center at the comprehensive site.

CHDS/SMHS students are afforded the opportunity to participate in the comprehensive school's athletic programs, dances and other functions and events.

Students are supported in concurrent enrollments with Santa Rosa Junior College and Petaluma Adult School. Online credit recovery is available on a limited basis. Site based mental health counseling is provided by a licensed MFT and a counseling intern. Academic advisory is provided by the teachers every six weeks (at a minimum). Truancy and truancy issues are addressed by the site and district through Student Attendance Review Teams (SART) and the Student Attendance Review Board (SARB). SARB meetings are held once monthly at the district office and SART meetings are held at the site as necessary.

CDHS/SMHS are designed as an alternative for high school students who have not been successful at the traditional high school, putting them at risk of dropping out.

Students are enrolled in CDHS/SMHS on a voluntary basis. Students who were disconnected from the traditional school, resulting in attendance issues or problems earning sufficient academic credit, might particularly benefit from the program because of the emphasis on daily attendance and the opportunity to complete additional work to make up lost credits.

Vision Statement:

## 2025-26 School Description and Mission Statement

Upon graduation Carpe Diem and Sonoma Mountain High School students will have a personal plan for life after high school, which includes:

- College and/or Career Plan
- Academic Success and Employability
- Social and Emotional Well-Being

Mission Statement:

Carpe Diem and Sonoma Mountain High Schools provide a personalized approach to education that supports each individual student by engaging them in the development of their vision for future post-secondary success.

- Our academic approach integrates standards based instruction, technology and the development of 21st century skills.
- We acknowledge students' unique personal and educational backgrounds and provide a flexible, supportive learning environment in order to best fit their personal, social/emotional, and educational needs.
- Our students participate in career explorations through college and career counseling, presentations, field trips and classroom activities.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2021-22 Teacher Preparation and Placement

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)			54	56	47	48
<b>Mathematics</b> (grades 3-8 and 11)			37	40	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 Career Technical Education Programs

Students at Sonoma Mountain High School are encouraged to enroll in CTE classes offered at Casa Grande High School and/or Santa Rosa Junior College. Agreements are in place for students to be co-enrolled in either educational setting as part of, or outside of, their regular school day. Credits earned are applied to the student's high school transcript and count toward their graduation requirement.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2025-26 Opportunities for Parental Involvement

Many times we need parents to help as drivers and chaperones for day outings and field trips. We can always use parents to serve on the School Site Council. We also welcome parents who might want to share their career path and occupational details with the students. Parents can help with our Outdoor Education program, including day hikes and/or overnight camping.

## C. Engagement

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

## 2025-26 School Safety Plan

Our School Safety Plan and Emergency Plan are closely connected to the plans of Petaluma High School (CDHS) and Casa Grande High School (SMHS), on whose campuses we reside. We coordinate activities, emergency preparedness drills, fire and safety drills, and more with the comprehensive high schools. Each plan is reviewed annually, presented to and approved by the School Site Council, and updated as needed as required by law.

The School Safety Plan was most recently reviewed, updated, and discussed with school faculty in the Fall 2025.

## Professional Development

5 professional development days have been built into the work year calendar for 2025-2026. These PD days are a combination of district-wide, secondary and site-specific PD. Two PD days held prior to the start of the school year were dedicated to an overall theme of equity. Staff participated in a series of district-wide, secondary-only, site-specific and workshop sessions focused on: empowering students and teachers; equity in the math classroom; Universal Design for Learning; Project Based Learning; redesigning student assessments to empower students to self-assess; using site improvement data for continuous improvement; Title VI training; and LGBTQ+ rights.

Petaluma City Schools continues to prioritize Positive Behavioral Interventions and Support (PBIS), and Welcoming Schools (LGBTQ+) training for secondary staff. In addition, trainings have been scheduled throughout the school year to support a core team at each school site dedicated to enhancing a positive school climate.

This table displays the number of school days dedicated to staff development and continuous improvement.
