

Petaluma Junior High School

Facilities Update: an update for our families, staff & neighbors

HOME OF THE BANTAMS

SUMMER 2026 CAMPUS IMPROVEMENTS

A New Courtyard Is on the Way!

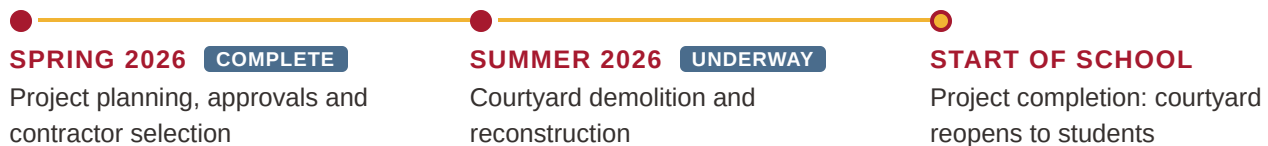

The heart of the Petaluma Junior High campus is getting a full refresh. The courtyard replacement project is underway this summer, an investment of approximately \$1 million that will transform the space where Bantams gather every day.

Crews are working through the summer so the renovated courtyard is ready to welcome students back for the start of school. This project is part of the district's ongoing investment in safe, modern campuses for our students and staff.

WHAT'S HAPPENING

- Full **courtyard replacement** at the center of campus
- An investment of approximately **\$1 million**
- A refreshed space for **students to gather** every day

Key Milestones

Safety During Construction

The courtyard work zone is fenced and separated from the rest of campus for the duration of the project. Work is scheduled through the summer to minimize any impact once students return.
