- Tutor Me Education: 24/7 Face-To-Face Tutoring with Handpicked Tutors
 - All SCOE students can connect with expert tutors by scheduling virtual sessions through Tutor Me Education!
 - We are excited to share that SCOE has partnered with [Tutor Me Education](#) for all K-12th promise youth. TM-Education is a platform where students have access to expert online tutors. Unlike other platforms, TM-Education provides tailored face-to-face tutoring with a live tutor using audio and video (just like zoom, but with an interactive whiteboard!). With TM-Education, students can request assistance in any of their rostered classes or schedule on-going tailored tutoring sessions. Teachers will have access to how students use TM-Education by referring students, reviewing custom metrics, and more. If you are a K-12th promise youth student in SCOE, check out Tutor Me Education today!
 - To schedule a session: Simply complete the forms below.
 - Once teachers or parents complete the following sign-up form, one of our educational directors will contact them to understand their needs in more detail, provide a pre-assessment (if needed), and match the student with a tutor.
 - [SIGN UP](#)
- **EF Specialists: Executive Functioning Coaches:** One on one online sessions with trained educators and coaches to build executive functioning skills. Founded by a former Special Education teacher.
