2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

providing engaging, differentiated instruction aligned with their individual learning needs. Enrichment opportunities—including art, music, movement, drama, gardening, and library programs—enhance their educational experience.

Our Commitment

All students thrive in a supportive and engaging learning community where instruction is aligned to child development, diversity is valued, and students are prepared to contribute thoughtfully, responsibly, and compassionately to society.

As a staff, we believe that:

- All students have value, infinite potential, and the right to an excellent education.
- All students learn in a safe and caring environment where they are motivated to do their best work.
- All students achieve at high levels through a rigorous, culturally relevant curriculum.
- Diversity is an asset that strengthens and enriches our learning community.
- Parents and caregivers of all students are recognized and engaged as partners.
- The community supports the educational program and serves as a partner and resource for student learning.
- Faculty and staff are dedicated to student success and operate as a high-performing, collaborative team.
- Shared decision-making is valued, and active participation by all educational partners is critical to student success.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.					
Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

At Valley Vista Public Waldorf School, we value and encourage parent involvement through both formal and informal opportunities. Families play a vital role in shaping our school community, and their participation enhances the educational experience for all students.

Our Family Guild, English Learner Advisory Committee (ELAC), Charter Advisory Council (CAC), Team for Inclusivity, Diversity, and Equity (T.I.D.E.), TechWise, Class Coordinators, and The Foundation for Petaluma Public Waldorf provide structured ways for parents to engage in decision-making and school programs.

- Family Guild & ELAC meet monthly.
- Charter Advisory Council meets biweekly.
- Class Coordinators meet biweekly.
- T.I.D.E. meets monthly.
- TechWise meets three times a year.
- The Foundation for Petaluma Public Waldorf meets monthly.

Each group stays informed about school processes and outcomes through a structured data analysis protocol. All parents—whether formally involved or not—are invited to attend meetings. Agendas and minutes are shared with the school community via Parent Square to ensure transparency and communication. Additionally, our weekly newsletter keeps families updated on events, school initiatives, and goals, with opportunities for parent feedback.

Valley Vista Public Waldorf School is fortunate to have dedicated volunteers who bring valuable programs to life. Family members contribute in countless ways, including classroom support, garden projects, and the coordination of beloved events such as the Latino Dinner (Cena Latina), Seasonal Events and Festivals, and parent-caregiver community events.

For more information on how to get involved, contact the school office at (707) 778-4762. Meeting schedules for the Family Guild, ELAC, Charter Advisory Council, and The Foundation for Petaluma Public Waldorf are available on our website: <https://petalumacityschools.org/valley-vista-public-waldorf/>.

2025-26 School Safety Plan

Valley Vista Public Waldorf School prioritizes the safety and well-being of all students and staff. Our School Safety Plan was reviewed on August 6, 2025, and aligns with the District Safety Plan, ensuring preparedness for a range of emergencies.

Key components of our plan include:

Regular Drills: We conduct monthly safety drills, including an annual lockdown drill, to reinforce emergency procedures.
Staff Training: In partnership with North Bay Security, teachers and staff receive training on safety protocols and drill procedures.

Emergency Preparedness: An emergency storage shed is maintained to provide water, food, and essential supplies for each student. Additionally, all classroom emergency backpacks have been updated.

Ongoing Practice & Review: Monthly drills ensure both students and staff are familiar with safety requirements.

Each year, we dedicate a professional development afternoon to reviewing:

- Basic first aid
- Emergency shut-off locations & procedures
- Student release protocols
- Tabletop emergency scenarios

By prioritizing proactive planning and training, we foster a secure, well-prepared school environment for all.
