

Valley Vista Public Waldorf School

Facilities Update: an update for our families, staff & neighbors

NEW SPACES AHEAD

SUMMER 2026 CAMPUS IMPROVEMENTS

Improvements Underway, and More Ahead!

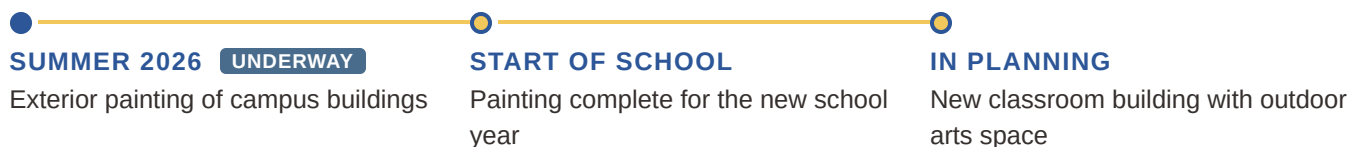

Valley Vista is getting a fresh look this summer. Exterior painting of the campus is underway and on schedule to be complete for the start of school.

There is more on the horizon. Planning has begun for a new classroom building at Valley Vista, designed to incorporate outdoor space for visual and performing arts (VAPA). The district is working through the design team selection process now, with opportunities for stakeholder input as design gets underway, and we look forward to sharing plans and timelines with the Valley Vista community as the project takes shape.
